NOTES:

- * Students pursuing the Inter-Specialty option must speak to an Art Department advisor as they will have different requirements than those laid out here.
- ** Students are discouraged from taking more than 2, and never more than 3, of the six contact-hour studio or design courses in a given semester. Take either of these courses the first semester, and then take the other in the spring.
- *** These courses do not have pre-requisites, so students who transfer in credit for first-year foundations courses may start taking these courses in the specialties soon than suggested here.
- WE = Writing Enhanced course

- If you have not completed the Civics Exam, we recommend doing so in your **first year**.
- Truman students are required to complete a [Portfolio](#) to graduate. We recommend starting to compile your work for the Portfolio sooner than later.
- Students must complete their Application to Graduate **the semester prior to graduating**. Apply to graduate through TruView.
- Graduating seniors need to complete their seniors test and questionnaire. We recommend reviewing the [Assessment & Testing page](#) to plan accordingly.
- The Dialogues curriculum requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.

Department Chair: Please contact the [Center for Academic Excellence](#) with any updates to the plan above. Rev. 7-31-24
