### NOTES:

- Take Ancient Greek, at least through intermediate level (minimum two years often required for many graduate schools).
- Take LATN 450: Latin Prose Composition if possible (highest-level Latin course, offered every third spring).
- If interested in teaching, review the "[Additional Information for Prospective Latin Teachers](#)" in course catalog
- If interested in teaching, combine Classics BA with pre-MAE Latin coursework (see Plan 3), or with the Foreign Language Teacher Preparation Minor. The MAE Latin provides a path to certification, and the Foreign Language Teacher Preparation Minor provides additional coursework in pedagogy for students not interested in seeking certification.
- Summer Study Abroad to Greece (earn GRE 300: Sacred Sites in Greece, 6 credits).

- Take electives in **Area 1 (Culture)** and **Area 3 (Supporting Disciplines)** based on interests.
- Take as many language courses as you can from **Area 2 (Language and Literature)** – lots of language prep is expected in graduate school, whether it be Classics MA, Classics MA Teaching, or Classics PhD programs.
- Service Learning opportunities available to teach Latin in local elementary schools as volunteer work or for credit (CML 200: Service Learning - Latin, 2 credits, repeatable).
- **Recommended minors:** Linguistics, English, Creative Writing, History, Philosophy and Religion, Medieval Studies, Museum Studies
- WE = Writing Enhanced course
- If you have not completed the Civics Exam, we recommend doing so in your **first year**.
- Truman students are required to complete a [Portfolio](#) to graduate. We recommend starting to compile your work for the Portfolio sooner than later.
- Students must complete their Application to Graduate **the semester prior to graduating**. Apply to graduate through TruView.
- Graduating seniors need to complete their seniors test and questionnaire. We recommend reviewing the [Assessment & Testing page](#) to plan accordingly.
- **The Dialogues curriculum** requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.

**Department Chair:** Please contact the [Center for Academic Excellence](#) with any updates to the plan above. Rev. 7-29-24
