NOTES:

Advising Recommendations

- Take Ancient Greek, at least through intermediate level (minimum two years often required for many graduate schools).
- Take LATN 450: Latin Prose Composition if possible (highest-level Latin course, offered every third spring).
- Take TRU 111: Classical Foundations of Self & Society (if offered freshman year – not required of Classics majors, but counts as an elective in the major for Area 1).
- If interested in teaching, combine Classics BA with pre-MAE Latin coursework (see Plan 3), or with the Foreign Language Teacher Preparation Minor. The MAE Latin provides a path to certification, and the Foreign Language Teacher Preparation Minor provides additional

coursework in pedagogy for students not interested in seeking certification.

- Summer Study Abroad to Greece (earn GRE 300: Sacred Sites in Greece, 6 credits).
- Take electives in Areas 1 (Culture) and 3 (Supporting Disciplines) based on interests.
- Take as many language courses as you can from Area 2 (Language and Literature) – lots of language prep is expected in graduate school, whether it be Classics MA, Classics MA Teaching, or Classics PhD programs.
- Service Learning opportunities available to teach Latin in local elementary schools as volunteer work or for credit (CML 200: Service Learning - Latin, 2 credits, repeatable).
- Recommended minors: Linguistics, English, Creative Writing, History, Philosophy and Religion, Medieval Studies, Museum Studies

Dialogues Curriculum: The Dialogues Curriculum requires a certain number of courses/credit hours in the following Perspectives: Social, Arts and Humanities, STEM, Communications, and Statistics. The exact number of courses a student will be required to take during their undergraduate career varies individually according to the credit transferred in.
